

What's New with Kenny and Jennifer?

July 2018

Praise God for a busy and eventful early summer! We have been at Mountaintop Retreat for just over a year and are now well into our second year of camps. God blessed us this year with jobs we love, a safe move to Colorado, and the opportunity to impact hundreds of youth, families, and church groups through our ministry here at camp. Thus far, in June alone, we have had over 160 kids and about 30 volunteers, as well as cooks, a mowing crew, and a few neighbors who came to help. More than eighteen youth made decisions to accept Jesus, and countless others were convicted to improve their walk with Christ. Praise the Lord!

I was fortunate enough to play the role of the Pirate King in *Pirates of Penzance* at the local community theater here in Montrose, the Magic Circle Players. Performances ran

Praise and Prayer

- Praise God for rain and pray for more, as fires spread in Colorado.
- Thanks and Praise for all of our generous supporters.
- Prayers for increased support as we plan for a family.
- Thanks and praise for all those who have served in our military so that we can enjoy American freedom.

through May and it was an amazing opportunity to meet and build relationships with some great people in our community. If you want to see our performance, we made an amateur recording which I uploaded to YouTube, you can find it here.

Jennifer and I are planning for a family in the near future, so we need your continued and increased support. God has blessed us with a ministry that reaches hundreds, maybe thousands, annually but this ministry depends solely on the prayer support and monetary generosity of our contributors. Please, help us by sharing this letter with your loved ones, following us on social media, and praying for us daily. Also, consider further supporting our ministry and family by donating at <https://infaith.org/kenny-jennifer-easton>. God bless you, we are praying for you!
