

What's New with Kenny and Jennifer?

March 2022

We had a really busy winter. Jennifer continues to love her position teaching 8th grade reading at Centennial Middle School. In addition to her responsibilities as the Reading Department head, she took on a job as the coordinator of the “before and after school programs.” She is pioneering a hunter/gun safety class for her students in cooperation with the local wildlife department. We are blessed that Jennifer found a great position at an excellent school with supportive administrators and exemplary colleagues.

Kenny is spending most of his time on the dorm project, however, he is also rehearsing for the role of Reb Tevye in “Fiddler on the Roof.” Performances will be in May 2022 at the Magic Circle Players community theater in Montrose Colorado. In addition, Kenny and Jennifer will be directing “The Sound of Music” in May of 2023. We are blessed to have found a wonderful circle of friends and a welcome creative outlet at the Magic Circle!

Our black lab, Rocky, turns 17 years old in April! He is still going strong and is loving his retirement in the mountains. Our Great Pyrenees puppy, Rose, is now six months old and over 70 lbs. She is great. Rey and Mattis are going to have one more Goldador litter, most likely in July. Their puppies are beautiful, smart, and now 29 of them populate the western slope of Colorado.

News from Mountaintop Retreat

What's New at Mountaintop Retreat? *March 2022*

We are at the tail-end of a long and snowy winter here at camp. I spent much of the winter on the tractor moving snow and digging out our neighbors. We are ready for an end to the snowfall but we praise God for the water needed to fill the reservoirs.

The dorm project is now well underway, though we were set back by the recent snowfalls. The old dorms have been disassembled and the foundations have been prepared. Our new modular dorms are almost set in place. Now the real work of remodeling these units to fit our ministry needs begins. We are still in need of donations to have the funds necessary to finish this project. If the Lord is calling you to give to a cause that will help to reach thousands of youth with the Gospel each year, please considering giving to our dorm project.

The planning for 2022's summer camps is ramping up. Our theme for this year is "Jesus: Reconnecting with Christ." I am extremely excited to take a deep dive into the personhood and Godhood of Jesus, studying who He is and what He did for us. We have some really great and engaging speakers and we are pleased to welcome back our wonderful cook, Cara, as well as counselors and helpers from KMBC. I can't wait to see what God will do in 2022!

If you want to hear more about what is happening at camp please check out my podcast, Missionary on the Mountain, anywhere you listen to podcasts, including YouTube, Apple Podcasts, Spotify, and more.

We were so happy to see our ever-growing family over the holidays! We always love visitors! Come visit us in beautiful Southwest Colorado. Just give me a call or send an email, we would love to hear from you!
